

Elex Solutions Referral Program

Good Energy Pays Off – \$250 for You & Your Friend!

At Elex Solutions, we appreciate our customers and want to reward you for spreading the word. Our referral program benefits both you and your friends when they choose our services!

How It Works:

1. **Refer a Friend:** You can either tell your friends about Elex Solutions or provide us with their contact details so we can reach out to them.
2. **They Sign Up:** If your referral contacts us, they must mention your name when requesting a quote.
3. **You Both Get Rewarded:**
 - **EV Charger Installations:** You receive **\$100 cash**, and your referral gets a **\$100 discount**
 - **Solar & Energy Storage Systems:** You receive **\$250**, and your referral gets a **\$250 discount** on their system.

Program Details:

- There is **no limit** to how many people you can refer—more referrals mean more rewards!
- Rewards are issued **after the referred project is completed and paid for.**
- The referral discount applies **only to first-time customers.**
- Valid until April 30th, 2025

Start Referring Today!

Share your referral using the QB code below, and start earning rewards!
